Completion of seismic acquisition

Chariot Oil & Gas Limited (AIM: CHAR), the Africa focused oil and gas exploration company, is pleased to announce that the recent 3D seismic programme acquired in the Northern blocks, 1811 A & B, offshore Namibia, has been completed. This data acquisition programme covered 600 km², focusing on an area of specific interest over the previously identified Zamba prospect. Processing and interpretation has commenced and will be completed around mid-2010.

Paul Welch, CEO commented,

“We’re pleased to announce that this seismic programme has been finished on time and on budget as anticipated. All work programme commitments across our blocks of interest are now complete. We look forward to receiving the processed information in due course and welcoming interested parties into the dataroom in the first quarter of 2010.”
